Hallo

I have read through your entire submission. Attachment R contains an e-mail from you dated 26 January 2013, 11:08 am where you put forward your views regarding some of the examiners. In stating your reservations about Dr. Pierrynowski, you included personal information that you say was disclosed to you by your supervisor Dr. Gordon Robertson. I have sought legal advice and must tell you that the remark you made about his “damaged career” and the disclosure of his personal challenges could expose you (and the University) to a charge of defamation.

I will have to redact those lines. Alternatively, you could choose to omit that e-mail from your submission.

Sincerely

Margaret Moriarty, Ph.D. (C. Trans. ATIO)
